

PROJECT PHASE-2 (ER diagram)

Team No. - 62 Members:

- Nikunj Garg - 2021101021
- Manuj Garg - 2021101047
- Ishit Bansal – 2021101083

Changes in the Required Doc:

- Attribute – Name of the Captain is dropped from entity – TEAMS, to reduce data redundancy as it entity – Captain contains the identifying attribute team.
- Attribute – Number of matches captained from entity Captain is dropped as- it is equal to the number of matches played by the team, which can be derived from Entity Matches.

Refer to ER diagram in next page:
